Winemaking Notes

After the grapes were harvested, they were de-stemmed and a portion was crushed, leaving some whole berries in the fermentor. The time in the fermentor was optimized to capture the dark fruit flavors of Syrah, spicy characters of Zinfandel and the elegance of Merlot. After bottling, the wine aged for two months prior to release.

Taste Profile

The 2009 Apothic Red reveals intense fruit aromas and flavors of rhubarb and black cherry that are complemented by hints of mocha and vanilla. The plush, velvety mouth feel and smooth finish round out this intriguing, full-bodied red blend.
